September

11-14

REMEMBER!!

LABEL everything your child brings to MDO (especially lunch containers and cups)

Send 2 drink cups/bottles for your child to use during their stay at MDO.

When weather permits, we will be outside on the playground. Please remember to send a jacket or sweater as the weather gets cooler. The playground is on a bed of mulch, which can hurt little toes, if your child is wearing sandals.

BIBLE FOCUS:

God Takes Care of Us

BIBLE STORY (taken from Genesis Chapters)

God was going to send a flood. Noah built a big boat called an ark. God wanted Noah to fill the ark with every kind of animal. There were many, many kinds of animals. Noah and his family helped all the animals onto the ark. When the animals were all inside, the sky grew dark and cloudy. Soon Noah's family heard rain falling on the roof of the ark. It wasn't long before the ark was floating, rocking back and forth. It rained and rained for 40 days.

God kept everyone inside the ark safe. While they waited in the ark, the whole world was covered with water. Finally the rain stopped and the water went away. The ark rested on top of a mountain.

Noah and his family and all the animals stayed on the ark for many days. When the earth was dry enough, God told Noah to come out of the ark. Noah built an altar and thanked God for keeping them safe. God put a rainbow in the sky to remind us of His promise to keep us safe.

THIS WEEK WE WILL:

ART—Play with color, paint tree branches and watermelons

MUSIC—Sing songs about Noah and the ark; march with rhythm sticks, drums, and finger puppets

LANGUAGE ARTS—Learn about the Letter A; read Amazing Animals and Morris the Moose Goes to School

STEM—Build with tools and put animals in pairs
