DON'T FORGET!! Registration for the 2019-2020 Mom's Day Out Program will be closing the end of May. If you would like your child to attend, please turn in your registration forms and supply fee check soon.

This week we will review the things that God created and talk about the number 10. We will also review our colors and numbers.

Dear Parents,

Thank you for allowing your child to spend time with us in Mom's Day Out. We had great fun together as we heard Bible stories, explored STEM concepts, made beautiful art projects, danced and sang, reviewed our letters and numbers, and played with our friends.

We hope that you and your family have a great summer. We look forward to seeing those families that will be returning next fall.
